

From our regular correspondents.

Washington, May 10th, 1895.

As viewed from a political standpoint, matters in the capital are at present very quiet.

The Supreme Court has just decided in favor of the income tax. This time it is expected that its conclusions upon the recent arguments in the final test of the income tax case will be announced. The government was ably represented by Attorney General Olney and Assistant Attorney General Whitney, while the appellants, Messrs. Hyde & Pallock, were represented by the famous lawyers of New York, Messrs. Joseph Choate and W. D. Guthrie. Justice McKim, who was absent at the former hearing of the court, decided equally, has been present at the final hearing, and sat as umpire in the famous case. The rehearing was concluded at 2 o'clock, yesterday, and the nine justices took the question of the act's constitutionality under consideration.

The war clouds are vanishing. Japan is willing to relinquish the Liaosha Peninsula, but wants Port Arthur Russia is anxious to acquire a good harbor in Manchuria.

The British have evacuated Corinto and the Nicaraguan flag again floats over the city.

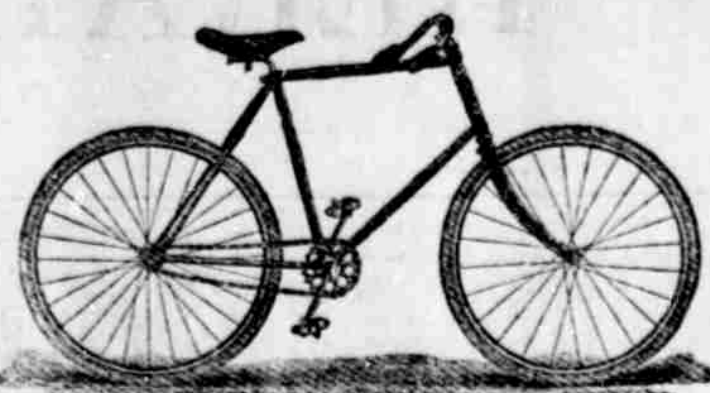

The insurrection in Cuba is said to be fomented by American capitalists, and to a large extent arises from a great international scandal in which eminent citizens of this country and of Spain are deeply implicated.

On the 6th inst. there were assembled in this city at the Arlington Hotel the following named gentlemen—Hon. Thomas C. Platt of New York, James S. Clarkson of Iowa, Ex-Secretary Foster of Ohio, General Russell Alger of Michigan, and Hon. Henry C. Payne of Wisconsin. To let these gentlemen tell it all came here on different business missions; but as a matter of fact politics was their purpose, and McKinley politics in particular, so that it is quite probable a somewhat extensive McKinley boom will be foisted again as no very late day. In view of the fact however, that the Napoleon in Republican politics has not yet expressed himself in being in favor of the free coinage of silver all the booms he may now have will suffer from a very severe relapse about convention time.

While the prominent gold bug politicians of both parties are loath to agree that no man can be elected as President of the United States at the next election unless he be in favor of the free coinage of silver at 16 to 1, they know very well that the nomination of an anti-silver man, whether it be Reed, McKinley, Sherman, Hill, Cleveland or Cochran, will mean an inglorious defeat. The silver tide is on in the East as well as in the West, and if it can be kept going until 1896 there is nothing on earth that can prevent a free silver man from being elected, whether he be Democrat, Republican, Populist or Independent, and unless free silver men are put up by Democrats or Republicans it is a pretty safe guess that Joseph C. Sibley, of Pennsylvania, will be the next man to occupy the White House. Mr. Sibley is as well qualified to hold the office as any man in either of the other parties, and in view of his sentiments in behalf of the people at this time, his qualifications are considerably better than those of the prospective candidates of the Democrats and Republicans.

If there was more push in the world there would be fewer hungry, half-clothed, homeless, suffering children; fewer broken down, dissipated men and women; less need of almshouses, houses of correction, and homes for the friendless. Push means a lift for yourself out of the clough of dependency and shiftlessness, out of trouble, real and fancied. Push never hurts anybody. The harder the push the better, if given in the right direction. Always push up hill—few persons need a push down hill. Don't be afraid of your sins and sins, they were given you to use. Don't be afraid of your conscience—it will never reproach you for a good deed. Don't be afraid of your hands; they were meant for service. Don't be afraid of what your companions say, but push with all your heart, might and soul whenever you see anybody or anything who will be better for a good, long, strong determined push. Push! It is just the word for a world that is full of work, and this is. If anybody is in trouble and you see it don't stand back—push. If there is anything being done in any place where you happen to be, push!—Press and Type News.

I have been requested by the committee on program to announce that there will be all possible arrangements made to have a grand celebration on the 4th of July at Elmwood in R. M. Risley's grove. The grove is as fine a one as there is in the county. There is about 30 acres of fine large trees trimmed up in nice shape, with plenty of good water running through the grounds, and pasture for teams. There will be a program arranged and appear in next issue of the Herald.
